

MOULDEX® MOULDINGS WARRANTY

Melgrand as the manufacturer of Mouldex® Architectural Mouldings, provides a seven-year warranty.

Warranty is subject to the following conditions:

1. Melgrand provides the warranty from date of purchase for replacement of defective product **only**.
2. Product Installation to be carried out in accordance with the Mouldex® Installation Guide Version 01.2020.
3. Mouldex® profiles should be finished in light reflective colours to reduce the risk of heat absorption which may cause damage to the profiles. **DARK COLOURS MAY VOID WARRANTY.**
4. Melgrand will be in no circumstances liable for any loss or damage (including consequential loss), whether direct or in direct to persons or property.
5. Melgrand will not be responsible and/or liable to any person in any way for incorrect fixing, installing, finishing by any person.

Compliance with Australian Standard AS 1366, Part 3.:

Australian Standard 1366, Part 3 – 1992 Physical Properties of Rigid Cellular Polystyrene; sets out minimum properties for six classes of EPS and stipulates manufacturing methods for compliance.
